**Activity / Function:** Sundry Claims**Statewide Category:** Debt Service, Pensions, and Special Appropriations

**Purpose:** Sundry Claims represent injury and property loss for which the State of Washington may be responsible, but the injury or loss was not caused by the tortious activities of state employees. These claims include self-defense claims and wildlife damage claims. Appropriation authority is typically requested in supplemental budgets and is linked to individual claims as they become ready for resolution/payment. The Department of General Administration's Office of Risk Management administers this program.
